The Bergen Card – the practical and reasonable way to explore Bergen, the City of Culture

Start the day with one of our many sightseeing tours that give you an introduction to what Bergen has to offer. The Bergen Card gives you admission to attractions in the city centre as well as other attractions further out. Bergen has **many museums**, some with unique art treasures and others that show the breadth of the city's historical heritage.

Take a trip up to **Mt. Fløyen** and enjoy the view of the city, the fjord and the ocean. See seals, penguins, crocodiles and snakes close up at the **aquarium** and explore the world of science and technology with your family at the **science centre**.

Round off the day with a meal and a **cultural event** at one of the city's many venues.

For more information about the Bergen Card – **benefits**, see a complete list in **Bergen Guide 2010, page 28-29**.
